

## KNEEBONE

Since 2019, I've been employed by a local law firm (Norris Ward McKinnon) and have been practising as a family lawyer since 2021.

### TRUSTEE SINCE 2023

## CONNECTION

My family has a strong connection to St John's College.

My father is an Old Boy, as is my grandfather on my mother's side - he was part of the first enrolment back in 1962. Various other members of my family have also attended St John's over the years.

I started at the College in 2009 and following my graduation from St John's in 2013, I went to Ireland to play rugby for two years.

When I returned home, I studied at the University of Waikato and graduated with a Bachelor of Laws at the end of 2020.

As a family lawyer I often appear in the Family Court. I deal with matters relating to parenting disputes, family violence and relationship property.

## ASPIRATIONS

St John's College has provided me with so many great opportunities and lifelong friends.

I want to continue being part of the College and give back to St John's and its community.

I have enjoyed seeing the Foundation's projects and initiatives come to fruition.

The Trustees are committed to making a difference now and into the future, and I'm excited to be part of it.
